

Aug. 30, 2018 (update)

Hello Nantucket Soccer Families,

As we transition to a new registration model we encourage you to plan out your soccer year and register for as many programs as you believe you will participate in. This will provide better strategic planning and more payment options for our families.

During the registration process please select all the sessions you would like to participate in for the 2018-2019 soccer year.

Player Groupings - Parents Please Note: beginning with Fall 2018 all players will be grouped by Birth Year. This will likely result with some changes in team structure.
